

## TOWN OF PORT HAWKESBURY

### NOTICE

## 2019 FALL HYDRANT FLUSHING AND MAIN PROGRAM

The Port Hawkesbury Water Utility advises our customers that fire hydrant flushing of water mains **will begin Sunday, October 27 and continue to Friday, November 8**. This activity will occur in all areas of the Town of Port Hawkesbury served by the Port Hawkesbury Water Utility.

**This work will take place between 10 p.m. and 6 a.m. Sunday to Friday, until completion. Hydrant flushing activities are carried out during overnight hours to cause the least amount of inconvenience for Port Hawkesbury customers.**

Discoloured water and pressure fluctuations may occur during the flushing program. If discolouration of water occurs, it will not pose a health risk, and should disappear shortly. Customers are advised to visually check the water before use during the flushing time frame.

For additional information, contact our Public Works Department at 625-1975.

The Town of Port Hawkesbury regrets any inconvenience caused to its water utility customers.

Terry Doyle, P.Eng.  
Chief Administrative Officer
