

**A Guide to Submitting a Nomination to the
Port Hawkesbury “SPORTS WALL OF FAME”**

1. The nomination must have the consent of the nominee, or if deceased, the family.
2. Player candidates must have concluded their careers as active players for a minimum of five years before election except where, by reason of outstanding preeminence and skill and upon the request of the Selection Committee, the Board may reduce such waiting period. Notwithstanding the foregoing, any athlete who has reached his or her 50th birthday will be eligible for nomination and consideration by the selection committee without any waiting period whether he or she is still active as a competitor. Builder or sponsor candidates may be active or inactive at the time of selection.
3. Any nominees who by outstanding achievement have attained prominence in any field of sport who have made a major contribution to the development and advancement of sport in the Port Hawkesbury area are eligible for election to the PortHawkesbury Sports Wall of Fame. A strong association with the town of Port Hawkesbury is a major consideration.
4. Be sure to include dates for all significant achievements and career highlights. If quoting material from books, newspapers letters, or scrapbooks, include photocopies in support of the nomination.
5. As much as possible, arrange information in chronological order, from earliest to most recent, noting whether accomplishments are Olympic, World, Commonwealth, Pan-American, International-Special, National, Atlantic, Maritime, Provincial or Municipal.
6. Ensure that the information is accurate and supports the nomination as either a player, a sponsor or a builder. In the case of team nominations, refer to team accomplishments rather than individual performances.
7. The single most important document is the completed registration form. Add further information on separate sheet if more space is needed. Ensure that all relevant and pertinent information is included on the form. The information on the form must be supported by relevant documents, etc.
8. **Applications will not be considered unless accompanied by a photo (photos) suitable for interpretation by an artist.** Submitted photos are used

as the reference for art work and should be clean and clear and fairly depict the nominee. The likeness of the candidate is entirely dependent on photos submitted.
