

## **JOB OPPORTUNITY Aquatics Supervisor**

The Strait Area Pool has a strong legacy of providing high-quality aquatics instruction to residents of the Strait Area for more than 30 years. The Town of Port Hawkesbury is accepting applications for an Aquatics Supervisor who is a leader and has a knowledge and passion for aquatics and promoting a healthy way of life.

### **Position Summary**

As the Aquatics Supervisor you will create a fun, yet professional environment, providing our patrons with a great learning experience. Reporting to the Manager of Recreation and Active Living, the Aquatics Supervisor performs Lifeguarding and Aquatic Instructor duties to oversee the safety of pool use. The position will recruit, train, schedule and supervise staff necessary to achieve success and will be responsible to create and to manage aquatic program plans, including marketing, budgeting and staffing requirements. Work shifts require flexibility. Knowledge of pool mechanics, chemicals, and equipment is desired.

### **Qualifications:**

Must have or willing to obtain:

- Water Safety Instructor certification
- National Lifeguard Service certification
- Standard First Aid with CPR-C certification
- Minimum 2-years experience
- All qualifications and certifications are to be current and up-to-date throughout the entire period of your employment.

### **How to Apply:**

Application deadline is **August 25, 2021**, and applications can be emailed to [cgillis@townofph.ca](mailto:cgillis@townofph.ca)
