CODE ACADEMY 1
### CODE & SCRATCH FOR BEGINNERS (LEVEL 1)
(AGES 7 -10 YEARS)

Monday March 11 & Tuesday March 12
10:00am – 11:30am · SAERC - Room 356
Lead by: Nolan MacNeil
$20 per person (includes two sessions)

Learn the basics of Scratch including:
- What is a sprite?
- How to make your character move side to side
- How to make your character jump
- How to change the background of your game
- How to add music and sound effects

When children learn to code their own games, they are the creators, rather than just the user of someone else's creation. It is an excellent skill requiring problem solving, multitasking, creativity, and storytelling. Once they have taken this class, they can use their Scratch account and knowledge to continue making their own creations!
