

PUBLIC NOTICE

PLANNED WATER SERVICE INTERRUPTION

The Town of Port Hawkesbury advises residents of a planned water service interruption

Date: Friday, June 26, 2026

Time: 9:00 a.m. – 3:00 p.m.

Areas Affected

- Pine Ridge Drive (from Artie Reynolds Road toward Spruce Street)
- Spruce Street
- Aspen Court
- Chiavari Close

Before the Interruption

Residents in the affected area are encouraged to:

- Store sufficient water for drinking, cooking, and other essential household needs.
- Avoid operating washing machines, dishwashers, or other water-dependent appliances during the interruption.

After Water Service is Restored

Following restoration of service, you may experience:

- Temporary air in water lines;
- Reduced water pressure; or
- Slight discolouration of the water.

If this occurs, run a cold water tap for several minutes until the water runs clear before using hot water or operating water-dependent appliances.

We appreciate your patience and cooperation as we complete these necessary infrastructure improvements.
